Who Can Use Campus Health and CAPS?

All degree-seeking students and Postdoctoral Fellows who pay the current term Campus Health Fee [1] can use Campus Health and CAPS.

Spouses of degree-seeking undergraduate students, graduate students and Postdoctoral fellows can receive care at Campus Health and CAPS. Spouses who pay the Campus Health Fee for the term can use Campus Health and CAPS once they show proof of insurance along with proof of their marriage or a notarized affidavit of domestic partnership.

When does my ability to use Campus Health and CAPS begin and end?
Students who pay the Campus Health Fee during an academic term can receive care until the start of the next term.

Students not enrolled in summer classes can receive care during the summer months by paying the summer Campus Health Fee. These students must have also paid the Campus Health Fee for the previous spring semester.

Some students that move in before the university opens for a term can receive care before the term begins. This applies to Resident Assistants, certain athletic teams and other specific groups.

Graduates can receive care at Campus Health and CAPS for thirty days after graduation.

Who cannot use Campus Health / CAPS?

If you do not pay the Campus Health Fee you cannot receive care at Campus Health / CAPS. Examples of UNC programs that do not require students to pay the health fee include, but are not limited to, distance programs (including online and off-campus), non-degree and certificate programs, and employee fee waivers.

Please note that all UNC affiliated persons are welcome to use the Campus Health Pharmacy and Student Stores Pharmacy.
