Physical Therapy and Athletic Training Clinic

UNC Campus Health offers comprehensive physical therapy and athletic training services to individuals who have paid the Campus Health fee. The Campus Health Fee covers any amount deemed patient responsibility by an insurance plan once claims have been processed.

The clinic is [staffed by licensed Tar Heel athletic trainers and physical therapists](#) [1].

The patient must bring a referral from a physician to be treated in the clinic. Clinic visits are by appointment only. The athletic trainers and physical therapists treat a variety of injuries ranging from athletic injuries, post surgical care, chronic pain, ergonomic and biomechanical issues. Patients are evaluated and given rehabilitation plans, if warranted specialized modalities are utilized and orthotics can be made for additional cost.

There is a \$25 missed appointment fee which is charged for any missed appointment that is not cancelled 24 hours in advance.
