Mission
To serve as trusted student liaisons by providing confidential, competent, and high-quality basic life support, ensuring that the needs and safety of all of the Carolina community are met.

**Hours of Operation**

Thursday, Friday, and Saturday 7pm-3am

Operational in mid fall 2020!

**What Campus EMS Does**

- Facilitates strong relationships with students as well as outside EMS agencies
- Bridges the gap between UNC students and subsequent resources such as Orange County EMS, UNC Public Safety, Chapel Hill Fire Department, and UNC department of housing
- Serves as an immediate resource to promptly assess and meet the most crucial of needs
- Answers general health and safety concerns after Campus Health operating hours

**Campus EMS can:**

- Respond to any medical emergency that occurs on university property
- Provide stabilizing medical care and Basic Life Support (BLS)
- Provide important information pertaining to many injuries and conditions
- Ensure proper hand off and thorough reports to subsequent providers

**Campus EMS cannot:**

- Respond to events or emergencies which occur off campus (call 911!)
- Provide Advanced Life Support (ALS) or perform invasive procedures
- Transport patients to hospitals independent of local EMS/Fire agencies
- Diagnose conditions or prescribe/provide medications

**Donations**
UNC Campus EMS is funded through UNC Campus Health as well as through generous donations from the community. Any donations to our mission are greatly appreciated!

UNC Campus EMS would like to give a special thanks to UNC Parents Council for their donation to assist with crucial start-up equipment. We greatly appreciate the UNC Parents Council?s support of UNC Campus EMS in our pursuit of service for the Carolina community.
