Healthy Heels To Go vending machines are now available around campus with over-the-counter medications and self-care items recommend by health care providers such as:

- Cough medicine
- Cold medicine
- Lip balm
- Cough drops
- Bandages
- Pain relievers
- Antacids
- Tissues
- Condoms
- Plan B
- Pads and tampons

Items are offered at low cost ($2 - $15) and can be paid for through your OneCard.

Campus Health placed one machine on the main floor of the Student Union at the entrance closest to the Union Art Gallery. Another vending machine will be placed in the Rams Head Recreation Center entrance in the coming weeks.

Students may also purchase these items during open hours at Student Stores Pharmacy and the Healthy Heels Shoppe at the Campus Health Pharmacy.
