Allergy Services

Contact the Allergy Clinic: 919-966-6664

Eligible patients[1] who have started allergy shots may continue injections with a nurse in the Allergy Clinic. The allergist will remain the patient's physician in relation to allergy immunotherapy. The allergist must give the initial injection and provide detailed information prior to administration of allergy injections at Campus Health. Allergy testing is not provided at Campus Health.

How to prepare for the first Allergy Clinic appointment.[2]

Allergy Shots Ordered By Outside Physician[3]

There is a charge for administration of allergy injections at Campus Health. For more information: Processing Insurance Claims[4].

The Allergy Clinic cannot store serum for people who are not receiving injections at Campus Health. Any serum left in the Allergy Clinic at the end of each semester will be discarded if you are not actively receiving allergy shots.
