The UNC System requires that eligible students must have health insurance. You may be covered under your own insurance plan or you may choose to enroll in the UNC System’s Student Health Insurance Plan, Student Blue from Blue Cross and Blue Shield of North Carolina (BCBSNC).

All international students who have F or J visa categories have health insurance stipulations mandated by federal regulation (e.g., medical evacuation, repatriation, and other requirements). Plus, all degree-seeking international students, regardless of semester credit hour level, are eligible to purchase or waive out of the Hard Waiver rated plan.

Please remember to complete the steps below prior to September 10, 2013 for the Fall Semester and January 31, 2014 for the Spring Semester for the 2013/2014 school year.
