

TIPS FOR CONVERTING/COMPRESSING DOCUMENTS TO A PDF

There are several free websites and apps for your smartphone available that you can use to compress your document to meet the upload criteria. Please note that these websites and apps are not affiliated, endorsed, and/or sponsored by UNC and are “use at your own risk”. Some examples you can find by an internet search are:

Websites:

<http://pdfcompressor.com/>

<https://online2pdf.com/pdf-reduce-size>

<https://smallpdf.com/compress-pdf>

<https://www.pdf2go.com/>

APPS (for both iPhone and Android devices):

Genius Scan

Tiny Scanner

iScanner

Additionally, if you have questions regarding uploading your Immunization and Health History Form or reducing file size, please contact the UNC Help desk at <http://help.unc.edu/> for live chat or call 919-962-HELP (4357).
