   If additional info is needed, a new item will be added to your student’s To-Do list.
Campus Health Fee vs. Student Health Insurance Premium
Health Insurance is Mandatory

• Each semester, a Student Health Insurance premium is added to the students University account.

• Students must either: complete the online insurance waiver OR enroll in the UNC sponsored insurance plan before the deadline each semester.

• Once the waiver is verified and approved, the premium will be removed from the University account.
